COMPANY PROFILE

ENVISION & STEER TO GOAL WITH EFFICIENCY, INTEGRITY AND QUALITY

A BRIEF STORY ABOUT THE COMPANY

ABOUT US

Caravan Resources Private Limited is promoted by professionals from the international trade and business development sector, with a depth of experience spanning more than four decades in Commodity Trade and Commerce.

In addition to supplying Bauxite to China on a long-term agreement basis, we also market various commodities, such as Steel and Steel Raw Material, Coal and Low Ash Metcoke, Minerals and Ores, fertilisers and fertiliser raw materials.

Our promoters, with more than 40 years of experience, in addition to Coal, we are also strong in Steel, Non-Ferrous Metals. Our promoters have travelled to several countries for business and are present in 8 countries. We have excellent contacts with buyers in India. Over a period of time, we have also evolved and imbibed upon good sourcing strength with excellent knowledge of logistics and supply chain.

We are interested in working with good companies to synergise business development and commodity trade.

VISION

Our vision is to be the preferred partner for businesses in the sectors we serve, and we are continuously evolving to meet the changing demands of the market. Our success is deeply intertwined with the success of our clients, and we are dedicated to fostering long-term partnerships based on mutual growth and trust.

MISSION

Our mission is to be a trusted and reliable partner in our area, providing high-quality products and exceptional customer service. We are committed to sourcing and delivering a diverse range of products while ensuring the highest standards of safety, compliance, and environmental responsibility. Through our expertise, integrity, and dedication, we aim to contribute to the success and growth of our customers, employees, and stakeholders while fostering long-term relationships built on trust and mutual benefit.

VALUES

Acting with honesty, transparency, and ethical behaviour in all business dealings. Prioritising the safety and well-being of employees, customers, and the environment. Encouraging creativity, embracing new ideas, and seeking continuous improvement in processes and technologies. Embracing environmentally friendly practices, promoting responsible resource use, and minimising environmental impact.

COMMITMENT

Whether it's the largest product innovation or a simple technical query, we have made it our business to be there and provide unwavering support to our clients. Our overriding commitment is partnering with our customers' success and forging strong relationships.

TEAM

Our closely knit team consists of motivated and skilled professionals with many years of experience, but more importantly, each one is a torchbearer of customer orientation — a tradition that has seen them establish strong and lasting customer relationships based on impeccable industry knowledge, product expertise, and technical proficiency. Their commitment to excellence proactive approach, and passion for delivering value-driven solutions have made them trusted partners to clients, ensuring consistent satisfaction, long-term collaboration, and continuous growth for both our customers and our organization.

INDUSTRIES WE SERVE

CARAVAN RESOURCES' ADAPTABILITY TAILORS SERVICES TO INDUSTRY NEEDS, ENSURING EFFICIENT OPERATIONS AND SUCCESS ACROSS DIVERSE MARKETS.

ALUMINIUM, STEEL & OTHER METALS

- Aluminium Master Alloys
- Silicon Lumps
- Coal Tar Pitch
- Ferro Silicon
- Graphite Electrode
- Granular Fused Refining Flux
- Calcined Petroleum Coke (CPC)
- Calcium Aluminium Waffles
- Copper Inserted Cathode Collector Bar (CICB)
- Nitrogen-based Silicon Carbide Block
- Cathode Carbon Block
- Copper Alloys
- Ferro Manganese
- Graphite Recarburizer
- Steel Collector Bars
- Silicon Carbide Blocks
- Silicon Metals
- Magnesium Ingot / SOW
- Pure Iron Flakes
- Cast Iron for Cathode and Anode Sealing

STEEL RAW MATERIALS

- Coking Coal
- PCI Coal
- Anthracite Coal
- Metallurgical Coke (MetCoke)
- Iron ore
- Iron Ore Pellets
- GCS Sludge
- HMS Scraps
- **Ferro Alloys** - Ferro Chrome, Ferro Silicon, Ferro Manganese
- **Pig Iron** - Basic Grade Pig Iron, Nodular Pig Iron, SG Grade, Foundry Grade, Semi Foundry Grade
- Power Generation – Thermal Coal of Various Grades

ALUMINIUM RAW MATERIALS

- • Bauxite
- • High Silicon Pig Iron
- • Anode Bars
- • Copper-Inserted Cathode Bars

CEMENT & CEMENT RAW MATERIALS

- White Cement
- White Putty
- White Cement Clinker
- Grey Cement Clinker

CHEMICALS & FERTILISERS

01

Granulated Sulphur is for the Manufacture of Sulfuric Acid, Phosphate fertilisers and plant protection products and in the steel industry.

02

Powder Sulphur is used for tyre and rubber manufacturing and in vulcanisation of natural and synthetic rubber; non-oil milled Sulphur is also used in the manufacture of fertilisers and plant protection products.

03

Sulphur Pastilles are used for the production of Sulfuric Acid, Phosphate fertilisers, plant protection products, as well as in the Steel, paper and food industries

AGRO PRODUCTS

- Wood Chips (*We are representing a large Wood Chips company from Vietnam, Indonesia and Thailand*)
- Coffee Beans

PETROCHEMICALS

- Activated Carbon Calcium
- Lignosulphonate Ceramic Ball
- Dilsobutyl Phthalate (DIBP) Ethyl Chloride
- Isopentane Monoethanolamine (MEA)
- Potassium Carbonate
- Solvesso 100, 150, 200, 250
- Vanadium-Based Catalyst
- Hydroxypropyl Methylcellulose (HPMC)
- MEG/ DEG/TEG
- Pentane 80:20
- Sodium Metabisulfite (SMBS)
- DiNitro Butyl Ether
- Benzene
- Cationic & Anionic Resin
- Citric Acid
- Dimethyl Disulfide (DMDS)
- Filter Aid
- Magnesium Oxide (MgO)
- Paranonyl Phenol Sodium
- Bicarbonate Toluene
- Vanadium Pentoxide (V₂O₅)
- Bis(Triphenylsilyl) chromate
- Caustic Soda
- Diethanolamine (DEA)
- DiNitro Butylphenol (DNBP)
- Triethanolamine (TEA)

OIL & GAS

- Barite
- Calcium Bromide
- Calcium Chloride
- Sodium Bromide
- Calcium Carbonate
- Bentonite
- Mutual Solvent
- Drilling Starch
- Xanthan Gum
- Organophilic Clay

POWER & WATER

- Caustic soda lye
- Antiscalant
- Sodium Chlorite
- Hydrazine
- Hydrochloric Acid
- Corrosion Inhibitor
- Biocide
- Ferric Chloride
- Trisodium Phosphate
- Sodium Hypochlorite
- Ammonia Solution
- Hydrated Lime

ALUMINIUM & STEEL (TABLETS/ BRIQUETTES)

- Cr75 Cr80,
- Ti75 Ti80,
- Fe75 Fe80,
- Mn75 Mn80,
- Cu75 Cu80,
- Ni75 Ni80,
- Si95

FERTILISERS

- Floatation Agent
- Sodium Hexametaphosphate (SHMP)
- Zinc Sulphate
- Coloring Agent
- Anticaking Agent
- Defoamer
- Granulating Aid
- Urea Anticaking Agent

POWER & WATER

- Sodium Cyanide
- Soda Ash
- Forged Steel Balls
- Kaolin (*We are Strategic Partners with a large Kaolin Mine in South India*)
- Copper Sulphate
- Xanthates - PAX/SIPX/SIBX
- Activated Carbon

OUR SERVICES

LOGISTICS & WAREHOUSE FACILITIES

Caravan Universe has its own warehouses and an integrated logistics system.

SAUDI ARABIA

Dammam Port - Land : 20,000 sq.m.

Dammam Freezone : 2,000 sq.m.

BAHRAIN

Askar : 15,000sq. m.
